END OF SESSION DEMONSTRATION DAYS

Demonstration days are structured differently than our end of year recital (Spring recitals). Each class will have a demonstration at the local theater, so we have enough space for parents/family/friends to come and see what dancers have been learning in class. This is not necessarily a routine, but a demonstration on their growing technique, by showcasing their

across the floor, center work, combinations, etc. It serves as a glimpse behind the scenes of what work goes into their routine for the end of year spring recital!

The date for this years demonstration days will be emailed by October 1st 2024. They will take place in December during the final two weeks of session 1.

CLASS CANCELLATION POLICY

Classes may be canceled due to storms or severe storm warnings, power outages, facility closures or instructor illness when a substitute is not available. Factors considered when deciding to cancel class include: weather and road conditions, weather forecasts, and above all, the safety of students, parents, and teachers. School closures do not indicate that dance will be cancelled. Weather conditions can vary greatly and change rapidly from one area to another so please use your own discretion when traveling to class this winter. We try to make these decisions 2 hours before the start of lessons. **WHEN CLASSES ARE CANCELED** there will be a message on our closed Facebook page, public Facebook page, public Instagram page and an email will be sent to every primary email address provided at registration; so please check your social media regularly this season to stay connected. Every term we allow 2 cancellations per class in the calculated fees. After 2 unscheduled class cancellations, a makeup date or class day refund will be sent.

ATTENDANCE

If your child is going to miss class, please notify our staff in advance. As we prepare for performances, it is difficult when children are frequently missing classes. Your child may be taken out of parts of their performance if they do not learn the choreography on time. We may be able to schedule private lessons to make up for choreography, if necessary.

COMMUNICATION

For convenience, our primary means of communication is via email. For same-day absences, it is best to Facebook the studio so that our receptionist can inform the instructor before class starts. You will receive regular newsletters and important information via email so please ensure you have provided the studio with an up-to-date email address that is regularly checked. We always display important information, dates and studio details on our social media @AMPITUPDANCESTUDIO. Be sure to follow us!

STUDIO LOCATION AND DROP OFF/ PICK UP INFORMATION

We are located at **63 Peter Street, Salisbury, New Brunswick**. Parking is available outside of the studio, in the front parking lot, and rear parking lot (closed during the snowy months). The parking lot can get busy during the evenings so we ask that all students get walked to and from the studio entrance by a parent/guardian.

CODE OF CONDUCT

- No classes (including private lessons) or teachers are to be disturbed unless it is an emergency. All parents must wait outside of the studios until classes have been dismissed.
- We are unable to take responsibility for our students before or after their scheduled classes and it is the responsibility of the parent to ensure their child is picked up and dropped off on time. (See Late Pickup Policy)

- AMP IT UP takes no responsibility for any stolen or misplaced property on the studio premises and we encourage our families to avoid bringing valuable items into the studio where possible.
- AMP IT UP reserves the right to change schedules and instructors at any time throughout the term.

LATE PICKUP POLICY

Dancers will receive a charge on their Dance Studio Pro account if their arranged drive is more than 5 minutes late. The fee for late pick up is \$2 per minute after the 5 minute grace period. This charge must be paid before the dancer returns to the class. We are hoping this resolves any late pickup issues.

REFUND POLICIES

Refunds will only be issued during the first week of the term. If a student wishes to pull out during week 1, the student will be charged the drop-in fee for the first week and the remaining weeks will be refunded. After week 2, there is NO REFUND.

Summer Camp Refund Policy: No refund after the camp begins.

PAYMENT POLICIES

Registration fees are non refundable. In the case that you need to withdraw from the program, you will be given credit for future programs.

Students are not permitted to begin classes until 50% of their session 2 balance is paid.

If 50% of your balance is not paid before the first class, the child will not be permitted to attend classes until payment is made.

Dance costumes will not be given out until the final payment has been received.

Thank you for taking the time to review our Studio Handbook. We are always happy to answer any questions you may have, so never hesitate to reach out!
